

Casey Stack, Laser Compliance

Bio

At age 48 Casey Stack is 34 year veteran of the laser industry having founded a number of laser manufacturing and technology companies. Today he serves as President of Laser Compliance, CEO of Digger Montana, Vice Chairman of the ANSI Z136.10, and Commissioner of the Board of Laser Safety; the CLSO's guardian organization. He also holds a world's record for the largest projected images, at a mile in width...
